01 / COMPANY

The CRAYST portfolio

Global food. Considered supply.

CRAYST LLC., founded by Victor Crayst, is a multinational food company focused on the production, storage and export of rice, alongside a diversified portfolio of spices, fresh fruits, vegetables, edible oils and bottled mineral water. Its rice range spans non-basmati raw and parboiled rice, regional Indian varieties and basmati selections in raw, sella and golden forms. CRAYST brings this broad food portfolio together for importers, distributors, wholesalers and food-service buyers seeking supply tailored to their market requirements.
